

We are thrilled to announce

Gayle Kabaker is an illustrator, painter, designer and filmmaker who now resides in the Berkshires of Western Massachusetts with her husband, artist Peter Kitchell. She began her career as a fashion illustrator in San Francisco, has created a successful line of prints and giclees, and has also helped a wide range of clients with editorial & advertising illustration.

Gayle's beautiful work has an emotional, colorful and sometimes playful quality that lends itself well to a wide variety of products - and as a true professional, she is always happy to work with a client for that perfect fit. A prolific artist, she has a large catalog of designs that are available for licensing in most categories.
